REFLECTING ON 2017

This is our last Newsletter for 2017 and it is a good chance to reflect on our achievements and to thank everyone in the school community for their involvement. I'd like to thank the 2017 School Council members and the Parents and Friends Committee members for all their tireless work during the year. There are also many parents and volunteers who work behind the scenes and I thank you for all your support of the students and our school.

This time last year we were working on the plans for the new school building. This year we have seen the plans turn into reality and the new building mushrooming in the middle of the old school. It is exciting to see the outside structure and the inside works develop day by day. Completion of the building will be at the end of January, and classes will progressively move into the new spaces during Term 1. Once we have moved in the current administration portable and remaining portables facing the BER building will be relocated off site, and we then begin the landscaping.

We've had some wonderful school events with our choir performing at preschools and aged care centres; the wonderful 'Four Seasons in One Day' Concert; our annual House Sports; Mother's Day lunch over at the footy club, the Father's Day BBQ. We all had a great time at the Family Bingo Night, the Heroes and Villains Trivia night, and the Beach Theme disco...just to name a few things. All these events kept going due to the creative solutions of our PFC members, working around the limited spaces during the build. Our Year 6s are excited about their forthcoming Graduation, and we are looking forward to the Carols by Daylight on the last day. Thank you to all the parents and friends, teachers and students who have helped make this year so special. Have a safe and happy holiday and I look forward to an exciting 2018!

We sadly farewell Mrs Cowling who has been our Art teacher for two years. Nicky is pursuing her career in Preschool Teaching and we wish her all the best with her new endeavours. We also farewell Mrs Kerry McManus who has been an amazing teacher for the 3 / 4A students this year. I thank Kerry for stepping into this role at short notice from the beginning of the year, and taking on the role so wonderfully. Mrs Jenny Barber, one of our teacher's aides for the past many years is retiring. We will miss Jenny, but hope to see her back from time to time in a volunteer capacity. I thank Jenny for her gentle work with a wide range of students and all the other extras she has put into the school.

Notification of grade and teacher will be in the student report envelopes when they go home on 21st December.

CHANGE TO END-OF-DAY TIME

Next year we have had to extend the lunch time to accommodate the new EBA lunch arrangements for staff, therefore the **end of the day will finish at 3.20pm** instead of the current 3.15pm time. This has been approved by School Council.

SUBWAY – SLIGHT PRICE INCREASE

Next year the Subway order for a 6 inch sub, an apple juice and a cookie will be slightly increased to \$6.00. The Subway owner kept the cheaper price during 2017, but with rising costs has reluctantly increased the price for next year.

HELPERS MORNING TEA

We had a small group of parents and volunteers at our annual thank you morning tea that the staff put on for all our helpers. I would again like to thank you all for your help this year and look forward to your continuing involvement in 2018.

SCOUTS VICTORIA

The purpose of scouting is to contribute to the education of young people in achieving their full physical, intellectual, emotional, social and spiritual potentials as individuals, as responsible citizens and as members of their local, national and international communities.

The Scout Method – learning by doing, learning in small groups, learning in the outdoors and learning through fun.

The Scout Program Delivers – confidence and self-esteem, but listening to others. Independence, but helping others. Leadership and teamwork. Social cohesion, all are welcome, regardless of faith, race, gender or orientation. Resilience, camping rough, working and sharing, coping with adversity. Positive mental health.

A student at our school Tahlia C from the 1st Carrum Downs Cub Pack, has earned the Grey Wolf, this is a milestone in a youth member's scouting journey. Achieving this award involves lots of outdoor adventure including camping and hiking, as well as earning the Gold Boomerang and a range of Achievement Badges. Our youth members are well supported by their volunteer Leaders, their families, and often their teachers, but ultimately the decision to strive to be among the few who reach this level in scouting is a personal choice, and often an indicator of future success.

Congratulations Tahlia on your scouting award, we wish you luck for the next award.

FOUR SEASONS IN ONE DAY CONCERT

On Wednesday the 29th November 2017 Seaford Park Primary School held, in my opinion, the best concert that SPPS has ever produced.

The Prep and Year One's performance was excellent. The background consisted of the 'four seasons' Winter, Autumn, Spring and Summer. The best backgrounds were the Summertime one and the Autumn one.

The best prop was the one that 3/4 A used. The prop was a taxi that was used in the song 'Singing In the Rain'. One child sat in it whilst another child pulled it along. The best song was 'Blame It On The Boogie', sung by 5/6 A. It was the greatest because of the funny dance moves, the posters that they held up and the amazing singing.

In my opinion the concert was awesome. I really enjoyed the song 'Blame It on the Boogie' because of the funny dance moves. I also enjoyed 3/4 A because of the umbrella that one of the students held and the taxi that was pulled across the stage.

Four Seasons in One Day

It was time. What time? Time for a concert at Seaford Park! On Wednesday, the 29th of November, it was Seaford Park Primary School's annual Four Seasons in One Day Concert.

The audience was buzzing with excitement as Prep and Prep/1A opened the concert with a fantastic performance of "You Are My Sunshine" and "I Love It When It Rains." They wore pyjamas and brought a teddy bear. They looked adorable! Their singing wasn't 100%, but very good for their age group. At times they slightly sounded like they were shouting, instead of singing.

Next up was the amazing 3/4A. They sang two songs and sounded super! During the first song, 3/4A had a cardboard taxi to match the video clip. The taxi driver was pulled along the stage by a rope. That prop was very well thought through, and looked superb. The background props were leaves made of paper, and they looked very realistic! Everyone had a big grin on their faces and sang like angels.

The next stunning performance was by 4/5A. Some students played the ukulele, which matched the song choice perfectly. They wore beach-themed costumes with sunglasses, hats, and short-sleeved tops. Everybody enjoyed their swaying movements in the song 'Count on Me'. Their rating? 10 out of 10 for sure!

Then came 5/6A, who sang the song 'Shine Together'. Whilst singing they played the xylophone, and other instruments to help set the bright and happy mood. One student even played the keyboard! After that, 5/6A danced to the famous song 'Blame it on The Boogie'. That's right! They didn't sing, but they danced! Their moves were funny, and they were very enthusiastic. That was definitely the highlight of the show, ending with a hilarious dance!

Wait, what was that - there was another song? **Five more** songs? And who sung those? Oh yes, the school choir. They sang five beautiful songs. Fantabulous! Amazing! Phenomenal! Those are the only words to describe the Seaford Park School Choir.

This was the best concert I've ever been to. I only have one word. Okay maybe a few: **SEAFORD PARK ROCKS!** By Ella

Ashley Cross from 3/4A won an award and monetary prize from Sonya Kilkenny, our local Member of Parliament for his amazing piece of writing about Science, Technology, Engineering and Mathematics (S.T.E.M.) The children had to write on the topic, "What I Want People to Care About". Ashley was the youngest prize winner and the only one who wrote about STEM. Here is his piece of writing.

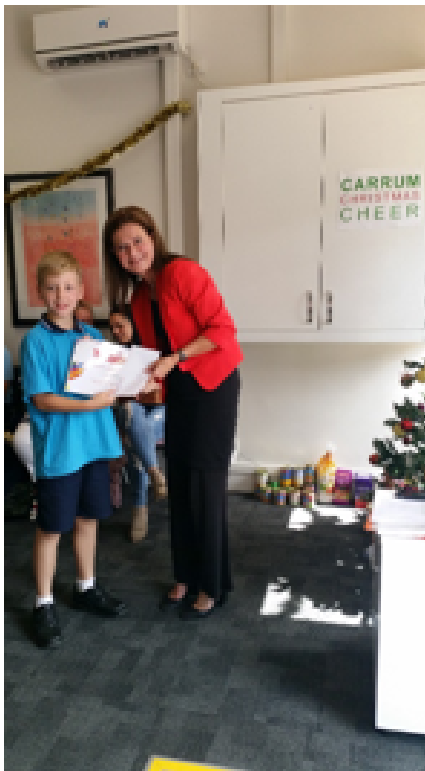

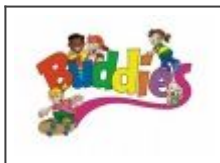

STEM

I want people to care about STEM, it is an ignored subject in education even though it is designed to teach Science, Technology, Engineering and Mathematics (STEM).

Students who attended STEM classes said their instructors weren't good and didn't recommend it to other students. Some reasons students didn't enjoy STEM classes were, lack of choice and requirement of others degrees before they could join.

Now that I've stated reasons students didn't like STEM I should probably talk to you about the GOOD reasons, like the fact that STEM builds crucial skills needed in most jobs. Also you could make a difference with a STEM education (e.g. a cure for a deadly disease) and STEM can build your confidence higher and higher just by making a point and defending your point. Included is the fact that STEM related jobs can have salaries up to \$77,000.

A lot of jobs today rely on something STEM related whether it is an engineering job, a medical job or even a writing job. Science, Technology, Engineering and Mathematics is your fit-bit and a single step forward to curing cancer. After writing this I hope more people will stop ignoring STEM

MACQUARIE BANK - THE GREAT BUDDY VISIT

MACQUARIE BANK; THE GREAT BUDDY VISIT

Thursday was a great day for bus trips and cupcakes. So we took advantage of that day (23/11/17 in case you were wondering) and went to Macquarie Bank to

have a great Buddy visit.

On the long bus trip to the City of Melbourne we either read or felt sick and had a look out the window. How long was the bus trip? (About an hour) Okay thanks,

After semi sleeping we arrived at 101 Collins Street, we went into a hall completely devoted to elevators! We split into two groups so we could fit it in and up we go!

We all clambered out the elevators and entered the conference room, eager to make acquaintance with our buddie once again. My buddy was Alana, whose mum is apparently the queen of home cooking.

We did many activities including a tour around one tiny spec of Macquarie. We also had morning tea and did an alphabet I spy. But sadly we had to return back to school. The trip home was much faster since there was less traffic.

Thank you Macquarie, Ardoch and the people who volunteered to be our buddies on behalf of us, the people in blue shirts.

A few weeks ago, Adam, Lily, Mrs French and myself went to Jacks Beach Reserve for our last I Sea I Care workshop.

When we arrived there, there were heaps of other schools. We were all split into four groups. The groups were, weeding, learning how aboriginals survived long ago, frogs and how to identify them and the scats walk. We started off with weeding.

For weeding we had to obviously pull out weeds. But there was a certain type of weed we had to pull out, it was called the rattle snake weed. It is called that because there is a little bob at the top that looks like a rattlesnake tail. It was soon time to go to the next group.

After weeding we went to see an aboriginal guy who showed us some aboriginal stuff like a spear, a shield, a comeback boomerang, a killer boomerang and what they used to make a fire with. Then we went on a walk around, he showed us edible plants. He let us eat one and it was nice. It tasted citrusy and you could break it into little pieces with ease.

For activity three we started by looking at different animal boxes. Animal boxes are what birds or any other animals use for homes. After looking at the animal boxes we went on a scats and holes walk. We stopped and also saw a big bird called an ibis. Then Hanna the instructor told us to be quiet and listen to the birds. I heard five different types of birds.

After the scats walk we headed over to where we arrived and talked to a lady about frogs. The lady told us how to identify which frog species we see. She gave us cards with different frogs on it and we had to find people with the same frog as us. At the end we played a game similar to the other one we played except we used these little containers that each sounded different.

Thank you to Mrs French for using her time to take us and thank you to Mandy for holding this ISIC program. We have really enjoyed being the ISIC ambassadors for this year!

EVENTS COMMITTEE

As outlined in the last Newsletter, we have restructured the organisation of the Events to a subcommittee of school council. You will have received a letter outlining the 2018 events for Term 1 and a request to help with these events. Please send this form back so Nadine, who is the Events Committee coordinator can oversee the organisation of these events.

A major fundraiser next year will be a Sausage Sizzle at Bunnings in Carrum Downs on Saturday 11th February. We need your help to run the stall for 1-2hours time slots.

CHRISTMAS RAFFLE –

1st Prize – Disco Speaker, gift card and prizes valued over \$200

2nd Prize – Sports Bag, Games and prizes

20 more prizes. Tickets \$1.00 each.

Raffle will be drawn on Friday 22nd December.

We wish you all a very Merry Christmas and a Safe and Happy New Year. We thank you for all your efforts this year with our fundraising events, and we look forward to your continued support next year. So once again have a great holiday and we will see you next year.

CSEF – CAMPS, SPORTS AND EXCURSIONS FUND

The Victorian Government has a commitment to being the Education State, aiming to break the link between disadvantage and achievement. Through government funding the Camps, Sports and Excursions Fund (CSEF) was established to provide payments for eligible students to attend camps, sports days and excursions. To find out more about CSEF or to apply for assistance go to www.education.vic.gov.au/csef State Schools' Relief has received extra government funding so that it can help more families needing financial assistance and ensure no one is left behind. This extra funding is being used by State Schools' Relief to assist students who receive CSEF assistance.

State Schools' Relief

Who is eligible?

Any student who is attending a Victorian Government School is eligible for State Schools' Relief support. Schools can send an application to State Schools' Relief when they believe that there is need to support a student whose family is facing difficulty in providing the appropriate uniform and footwear for school.

Situations include, but are not limited to:

- Health issues resulting in serious financial difficulties
- House Fires where school clothing is lost
- Independent living/ Homelessness

- Natural Disasters
- Serious financial difficulty

The application will be processed within 24-48 hours and you will receive notification by email.

2018 Prep Uniform Pack for CSEF Recipients

As part of the Victorian Government's Affordable Uniform Program, every Prep government school student who is a recipient of the Camps, Sports and Excursion Fund (CSEF) automatically qualifies for a uniform pack voucher.

What's in the Package?

The 2018 package contains the following:

- 1 x top (long or short sleeved polo shirt OR Rugby Jacket OR Bomber Jacket OR Windcheater). *A voucher will be provided for this item.*
- 1 x bottom (tracksuit pants)
- 1 x pair shoes (lace ups OR t-bars OR sneakers) *All students receive one free pair shoes and a pair of track suit pants supplied directly from SSR.*

What does the Uniform Pack cost me as a parent?

Where State Schools' Relief cannot supply uniform items directly to parents you will receive a voucher that subsidises the cost of uniform items. The voucher(s) can be redeemed at your child's school uniform shop or an independent uniform retailer which will be listed on the voucher. Parents receiving vouchers may need to make a contribution towards the cost of individual uniform items. The amount a parent has to pay will depend on the retail purchase price and the State Schools' Relief subsidy. The vouchers provided by State Schools' Relief list every approved item for the student and the maximum purchase value that State Schools' Relief will subsidise for each item. Parents who receive vouchers can work out how much extra they may need to pay towards uniform items using the school's uniform price list.

How can I apply for the CSEF Uniform Pack? Applications are made through your child's school. Please do not contact State Schools' Relief directly as staff cannot accept applications from parents. If you have any questions, or want to apply for assistance, please speak to your child's school.

How do I get the uniform items?

All vouchers and free items provided directly by SSR will be received by your child's school.

The school will get in touch with you to arrange handover of uniforms and vouchers. The voucher can be used at your child's school uniform shop or uniform retailer. The voucher will list the uniform items, with details of the maximum amount that State Schools' Relief will subsidise from the retail purchase price. If a uniform item costs more than the maximum subsidised amount State Schools' Relief will not pay for any extra cost. If a uniform item costs less than the maximum subsidised amount the difference cannot be redeemed or transferred to a different uniform item. The vouchers are not transferable and cannot be exchanged for cash; they cannot be used to purchase extra items and State Schools' Relief does not make cash payments to schools or parents.

Terms and conditions

Only Prep 2018 students who receive CSEF are automatically entitled to a uniform pack.

- Each student is eligible for only one uniform pack.
- All vouchers have an expiry date which is included on the voucher.
- Expired vouchers cannot be redeemed. Parents will have to reapply through their school for assistance.
- If uniform items cost less than the stated subsidised amount on the voucher any unused subsidy cannot:
 - be transferred to a different uniform item
 - be used to purchase an extra item; or
 - provided as cash to the school or the parent.
