

YEAR 6 PARENT PAYMENTS 2024

Seaford Park Primary School is looking forward to another great year of teaching and learning and would like to advise you of our voluntary financial contributions for 2024.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

The Seaford Park Primary School Council has approved the school's Parent Payments and believe that the contributions made to the school create a real difference to the learning programs, modern equipment and teaching professionals available to your children. We greatly appreciate any voluntary contributions you may be able to make to the school, further assisting our resource and support requirements.

Seaford Park Primary School makes every effort to keep the cost of items and activities to a minimum and affordable for all parents. We have closely scrutinised the current arrangements and have made some important changes to the presentation of the contributions for your child.

- **Curriculum Contributions:** These include essential items used to support the Victorian Curriculum.
- **Stationery Packs (Booklists):** We have arranged for stationery packs to be purchased from Melbourne Office Supplies. These will be delivered to the school directly. The prices we have negotiated for the packs are heavily discounted.
- **Other Contributions:** We have increased the number of voluntary contribution areas for family donations. These contributions assist with the ongoing running of the school. We understand that some families may be under increased financial pressure. We appreciate every donation made to these categories, as they make an enormous difference to what we can offer our students.
- **Excursion/Incursions:** Incursions, excursions, interschool sports, swimming, concerts, camps, etc. will be charged as they arise. It is crucial to note that students can only attend these activities if payments and consent are received by the due date.

Payment Methods:

Please read the information on page 5.

Payment is not required until our **Book Collection Day on MONDAY 29TH JANUARY 2024.**

Financial Support for Families:

The school recognises that families may sometimes experience financial difficulty and offers a range of support options including:

- Camps, Sports and Excursion Fund (CSEF)
- State Schools Relief (uniform items)

If you are experiencing difficulty in making the requested contributions, please contact our Parent Payment contact – Nadine Wright by phone 9786 5197 or email seaford.park.ps@education.vic.gov.au for a confidential discussion about alternative arrangements.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Extra-Curricular Items and Activities:

Teachers at Seaford Park Primary School pride themselves on the fabulous programs offered to support the Victorian Curriculum. They work hard to deliver these activities at extremely competitive prices. The value of these optional learning experiences add to your child's school years and cannot be underestimated. Optional programs help to develop confidence, self-awareness, new skills, organisation and above all support academic achievement. Studies into student participation and overall development and achievement show that those children exposed to a wide level of experiences in their early years have an improved educational profile. At Seaford Park Primary School, we strive to develop the whole child to their fullest potential.

Included in this section are incursions, excursions, sporting and musical activities, swimming program and camps. Notification of these events will be communicated with parents at least 2 weeks prior to the event. Payment and consent must be received by the due date for children to participate in these activities.

PARENT PAYMENTS POLICY

ONE PAGE OVERVIEW

FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the standard curriculum requirements in Victorian Curriculum F-10, VCE and VCAL.
- Schools may invite parents to make a financial contribution to support the school.

PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Curriculum Contributions

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
